Dear Parents and Guardians

Please take note of the following important announcements:

1. LATEST STANDARD OPERATING PROCEDURE FOR THE MANAGEMENT AND CONTAINMENT OF COVID-19 FOR SCHOOLS AND SCHOOL COMMUNITIES (FEBRUARY 2022)

- Physical distance is no longer a requirement for schools.
- Classroom windows and doors will be opened at all times to maintain good ventilation.
- Wearing of masks, washing and sanitization of hands, disinfection of surfaces and maintenance of good ventilation will still be in place.
- Wearing of a face mask in public spaces is mandatory for everyone in South Africa. All learners and educators are required to wear masks while at school as these are public places.
- Schools are encouraged to allow learners and staff the opportunity to take a "face mask break" (5 –15 minutes) every two hours during the school day where they can safely remove their masks outdoors where learners can spread out.
- Parents are to screen their children for symptoms prior to sending them to school.
- If a child is unwell or shows any of the symptoms associated with COVID-19, parents must keep the child at home and consult a health official if necessary.
- Screening of learners, educators, school support staff and visitors by completing the screening questionnaire and/or using infrared thermometers is now discontinued.
- No visitors are allowed on the premises without a scheduled appointment.
- Contact with positive COVID-19 patients does not require isolation anymore except if the contact displays symptoms of the illness.
- The Isolation period is reduced to 7 days instead of 10 days. Parents are urgently requested to not send learners to school if any of the symptoms of COVID -19 is present. We ask you to rather keep the learner at home and if in doubt, have the learner tested for the virus.

- Learners will be allowed to socialize during break, as long as they wear their masks and maintain a safe distance from one another.
- No textbooks, stationery or food may be shared amongst friends/ learners.

2. VALENTINES DAY:

Valentines Day will be celebrated on the 14th and the 15th of February 2022. Learners will be allowed to wear civvies (on their day at school) at a cost of R5. Grade 7 learners are allowed to wear civvies on both days at a cost of R10, 00. Various items will be on sale including sweets and badges.
