Upcoming Valentine's Day Celebration: Wednesday, February 14, 2024

Dear Parents and Guardians

We hope this newsletter finds you well. As Valentine's Day approaches, we are excited to announce our plans for a fun and festive celebration at school on Wednesday, February 14, 2024.

To add to the spirit of the day, learners will have the opportunity to wear Civvies for a small fee of R10. The dress code for the day will include blue denim jeans (not ripped) paired with a white, red, or pink t-shirt and normal PE takkies. **Please note that cropped tops, dresses, or skirts will not be permitted on this day.**

In addition to the dress-up, we will be hosting a colouring competition for learners in the Foundation Phase, Intermediate Phase, and Senior Phase. Participation in the competition will require a fee of R10, and entries must be submitted by Wednesday, February 14, 2024, to register teachers. The winners will be announced at our next assembly, so be sure to encourage your child/ward to participate!

Important Reminders:

- **Payment Methods:** Parents and guardians are encouraged to continue making school payments via EFT or by swiping at the Finance office. Please note that our debit order system is still being implemented, and we are working through challenges in registering and linking the school with the bank. We appreciate your patience in this matter.
- **Safety of Learners:** We have noticed that some learners are not being fetched on time by parents or taxi transportation services. With recent safety concerns in the Centurion area, particularly regarding incidents of human trafficking and robberies, we urge all parents to ensure that your child/ward is picked up promptly after school. Consider enrolling your child in one of the aftercare centres near the school if needed.
- **National Flip Flop Day for Childhood Cancer:** Friday, February 23, 2024, has been designated as National Flip Flop Day by the Cancer organisation. Tickets can be purchased for R10 at PNA and other retailers, allowing you and your child to wear flip-flops to work/school on that day. As a school community committed to supporting worthy causes, we encourage everyone to participate in this special event.

Thank you for your attention to these important updates. We look forward to celebrating Valentine's Day and supporting National Flip Flop Day with you and your child/ward.

Warm regards

MR. L.J. JACOB
