

13 January 2026

Dear Parents and Staff of Fleur Primary School,

We are excited to introduce ***Fleur Flapjack***, the new tuck shop that will be operating at Fleur Primary School from Wednesday, 14 January 2026.

Fleur Flapjack aims to provide learners with tasty, affordable, and thoughtfully prepared tuck shop options in a friendly and efficient manner. Our goal is to support the school community by offering a reliable service that complements the school environment and daily routines.

Operating Information

Opening date: Wednesday, 14 January 2026

Location: Tuck shop on the school premises

Operating days: School days (menu and pricing attached)

Menu options

Please see detailed information regarding the menu attached. Cash and card payments will be accepted.

Monthly Voucher System

To make purchasing easier and to reduce the need for learners to carry cash, we will be introducing a monthly prepaid voucher system, starting at the end of January 2026.

Parents will be able to purchase vouchers in advance for the month for their children.

This system will help with budgeting, efficiency, and convenience.

More information regarding voucher values, payment methods, and distribution will be communicated in due time, before the system launches.

Your Input Matters

We value the input of both parents and staff. A suggestion box will be available at the tuck shop where ideas, requests, or feedback regarding products and service can be shared. Your feedback will help us improve and serve the Fleur community better.

We look forward to becoming part of the Fleur Primary School family and to serving the learners and staff in 2026. Thank you for your support as we begin this exciting journey.

Kind regards,

The Fleur Flapjack Team
Fleur Primary School

FLAPJACK MENU
